

CTE Skill Certificate Test Performance Documentation

This document must be submitted to the test coordinator along with the test scan sheets at the time of testing. It will be submitted to the USOE for the audit and a copy kept on file for two years.

Course: Design & Drafting Technology
Test Number: 540
School:
Instructor's Name:

Students in course:
Students tested:
Date:

This is to verify that the students on the attached class roll* accomplished the following performance objectives at or above the 80% (moderately to highly skilled) level.

1. The students will be able to use of drafting machine and tools.
2. Students will be able to understand professional drafting room procedures and safe practices.
3. The student will be able to understand and demonstrate the use of vertical, upper case, and gothic lettering.
4. The student will be able to understand and demonstrate sketching techniques.
5. The student will be able to understand and demonstrate drawing layouts.
6. The student will be able to understand and demonstrate how to complete a drawing using the alphabet of lines.
7. The student will be able to develop a complete multi-view drawing.
8. The student will be able to produce geometric shapes such as straight lines, geometric angles, plane figures, circles and arcs, and irregular geometric figures.
9. The student will be able to understand how to reproduce a drawing.
10. The student will be able to develop drawings to specified scales.
11. The student will be able to apply standard dimensioning practices to a drawing.

Each performance is documented and kept on file for two years. (check one or more)

- ☐ Individual student performance tracking sheets
- ☐ A class period summary score sheet
- ☐ Recorded and identified in the class grade book
